The Urban History Association has contracted for rooms at the Renaissance Pittsburgh Hotel (conference rates \$129.00 single/ \$139.00 double for Thursday, Friday, and Saturday, September 26 - 28). You must make your own reservations. You are strongly encouraged to make your reservations as soon as possible. The Renaissance Pittsburgh hotel is at (412) 562-1200.

The **Renaissance Pittsburgh Hotel** is located at 107 Sixth Street, (corner of Sixth and Fort Duquesne Boulevard) Pittsburgh 15222. “With its unique U shaped Renaissance Revival design, the thirteen story Renaissance Pittsburgh Hotel offers guests dramatic downtown or river views from nearly every room. The seven story space created by the “U” called a light well also allowed river breezes to circulate above the atrium and keep the building cool. Constructed in 1906 as the Fulton Building, the structure originally housed office and medical space. It later became a Veterans Administration office and private sector mixed use building; in 1998 it began a three year conversion procession into a stylish hotel. The copper and granite exterior and the interior marble and mosaic tiles were restored, and the 20 ton glass and cast iron rotunda dome, blacked out since World War II, was returned to its original appearance.”
